Urgent Opening in “Corizo Edtech”

About Company: Corizo is an edtech platform that helps students with internships, professional training programs, career guidance, and mentorship. Our aim is to bridge the gap between formal education and the ever changing requirements of the industry. We at Corizo bring together the students aiming for successful careers, knowledge and experience accumulated over the years by our industry experts to create a holistic learning platform. Our platform helps students discover programs, and get trained in their fields of interest with the latest market requirements.
