Certificate Course in Sikh Human Values and Ethics (2023-24)

(For students at undergraduate and post graduate course level in any stream)

Introduction

A person's unique identity in society is due to values and ethics. In today's era man takes time to climb the ladder of progress and reach new heights. Today's student has to become a responsible citizen of tomorrow's society, for which his life ideal should be one of high responsibility.

The objective of this course is to highlight the values and ethics in the life of the students, which will be developed through the medium of this course through the knowledge of principles of Sikhism, Sikh history and Gurbani. Along with high level of vocational education, the main need of the present time to inculcate good moral qualities of life will also be fulfilled through this course. A student imbued with moral values will make his special contribution to the stable development of the society, while he will also be able to develop the ability to be compassionate, tolerant, and humility.
